

Joe Rego/Acushnet Kool Pools has been taking care of our pool for several years. Since he started, it has been a pleasure working with him. He repaired an "unusual problem" we had with expertise, resolving it without a hitch.

Joe is very knowledgeable, professional and always provides us with prompt and courteous service as well as reasonable prices. I appreciate his excellent service and continue to recommend him without reservation to our friends.

I believe you'll like the personal service you get when you use Acushnet Kool Pools.
